Date: 20.02.2021

To  
The President,  
Rotary Club Of Madras,  
T. Nagar,  
Chennai.

Respected Ji,

Namasthe. We all know, the COVID - 19 Pandemic had brought the entire world to a stand still for a prolonged duration. As an after effect, many families are still struggling financially and personally. Many of our student's families are also still unable to find leverage. Hence we, at our Vidyalaya have planned to organize a 3 month Teacher Training / Course for the mothers of our students who are eligible for the role of elementary teachers, so that after the course completion they can conduct tuitions at home to support their livelihood. We have also planned to issue certificates after successful completions of the programme. Due to the pandemic situation many mothers will be unwilling to attend this programme at school. Hence we have come up with an alternative of organizing online sessions and so plan to have Digital boards. And for regular classes, we plan to have classrooms which are now under construction. We need funds for the classroom furniture's and also for laboratory for imparting training to the mothers, who learn under the training programme.

We offer this course free of cost and as it is a certified course, it will be useful to them to join any school and also to undertake Private tuitions.

We, hence request the Rotary Club of Madras, T. Nagar, to do the needful to facilitate for this Noble Cause.

Thanking you with Anticipation,

In the cause of Education,

*A. Sukanya*
