AREAS OF FOCUS

What is your area of focus?

- Peacebuilding and conflict prevention
- Disease prevention and treatment
- Water, sanitation, and hygiene
- Maternal and child health
- Basic education and literacy
- Community economic development
- Environment

How does your educational and professional experience relate to the selected area of focus?

I am a doctoral prepared nurse practitioner with 18 years in cardiology and have been working in Rwanda since 2014. In 2020 Team Heart (a non-profit organization providing free valve replacements for RHD patient while training cardiac surgeons) asked me to design and oversee a post-mastered nursing cardiology course in Rwanda- this first in Rwanda. It took two years to design and one to implement. The translation of research to practice was discussed with a decision to focus on RHD and nursing education. The result was the RHD Nurse conference pilot study implemented Feb 2023. I am a Rotarian of the Lander Club district 5440. I designed and implemented this service project for our club with \$1500 from our club. I raised \$12,315.19 and received 30 stethoscopes as in-kind donation for the successful completion of the conference. I own my own leadership business dedicated to nurses and sit on both national and international boards giving me the skills I need to lead and grow a global grant.

What is your role in this training? Please list the specific topics for which you will be providing or receiving training.

A key aspect of the next conference is the review of the pilot, the SWOTs, and pre and -post tests, along with conference reviews obtained during the pilot. Nurse practitioner Julie Carragher is in her doctoral

program and has chosen this project. I sit on her committee as clinical mentor. Within that role I will guide clinical content, teaching styles, and train-the-trainer program. As a Rotarian, I will work with our host club and stakeholders as we review our community assessment and develop solutions to an expensive nurse educational program. As a cardiac Nurse Practitioner, I supply mentorship and guidance during the skills section, especially in learning cardiac sounds. As a LEAP leadership trainer, I will use these skills to build the team, set a strategic plan, and promote process where we seek to others become their best. Lastly, I will be on the team that review the outcome data to monitor this project.

AGREEMENT

This Global Grant Vocational Training Team Agreement (Agreement) is entered into by The Rotary Foundation of Rotary International (TRF) and me (the potential vocational training team member). Should a Global Grant Vocational Training Team opportunity (Grant) be offered to me, I confirm and agree to the following:

1. I have read the [Terms and Conditions for Rotary Foundation Global Grants](#) (Terms and Conditions) and will adhere to all policies therein.
2. I certify that, if I am a member of a vocational team receiving training, I am not: (1) a Rotarian; (2) an employee of a club, district, or other Rotary entity, or of Rotary International (RI); or (3) the spouse, a lineal descendant (child or grandchild by blood or stepchild, legally adopted or not), the spouse of a lineal descendant, or an ancestor (parent or grandparent by blood) of any person in the foregoing three categories.
3. I certify that the selection committee is aware of my relationship (professional or personal) to any Rotary members sponsoring my candidature and/or any other participants on the team.
4. I will actively participate in the vocational training and work with my team as a cohesive group in order to ensure the success of the grant.
5. I agree to complete the online pre-departure orientation offered by TRF and I will participate in mandatory pre-departure orientation activities offered by the sponsor club or district, including any necessary language and cultural training, to ensure that I am knowledgeable about the country(ies) to be visited and thoroughly acquainted with the aims, objectives, and ideals of Rotary and the purpose of the vocational training to further Rotary's mission.
6. All logistical arrangements relating to transportation, language training, insurance, housing, passports, visas, inoculations, and financial readiness are my responsibility and not that of any individual Rotary member, club or district, RI, or TRF.
7. I will abide by all TRF decisions related to travel safety. Therefore, if TRF determines, in its sole discretion, at any point in the grant period that my safety in the country where I am serving could be or is at risk, TRF may require that I return home immediately. In such instances, I agree further to abide by TRF's decision as to the subsequent availability of funding for my team.
8. I understand that TRF will only provide for costs directly associated with grant implementation and I agree to have sufficient funds to meet my personal and incidental expenses (including travel insurance) while traveling.
9. I understand that TRF has final authority to select team members. Team members or alternates may be disqualified or dismissed at any time, if deemed appropriate, at the sole discretion of TRF.
10. I agree to reimburse TRF any costs I have incurred if my behavior warrants dismissal from the team. Additionally, in the event of dismissal, I will be responsible for my own return transportation home and will refund all funds received, including any interest earned.
11. I will maintain standards of behavior and deportment during my travels with the team that will reflect positively on Rotary, my sponsor club or district, and my country. I will exercise good

judgment in expressing opinions regarding controversial, political, racial, or religious issues so as to avoid offending others. In addition, I will abide by the local laws of my host country.

12. I am solely responsible for my actions and property while participating in and traveling to and from grant activities.
13. Should my spouse, other family members, or personal acquaintances who are not approved members of the team accompany the team during the term of the grant, I acknowledge that they are solely responsible for their actions and any and all liability that may arise from their presence.
14. I will remain with the team throughout the term of the grant, except during those periods when individual time is scheduled, and will inform the team of my whereabouts at all times.
15. I understand these risks and assume all risks involved with this training.
16. I will refrain from engaging in dangerous activities that could unnecessarily endanger or threaten the health, safety, or well-being of myself or others. Such activities would include, but not be limited to, skydiving, bungee jumping, extreme sports, and operating heavy machinery.
17. I am solely responsible for any and all costs and damages for any illness, injury, or other loss (including loss of consortium and emotional loss) incurred or suffered participating in, traveling to or from the training, or otherwise related to the provision of the grant.
18. If I engage in any type of medical practice or activity including but not limited to routine medical procedures, surgical procedures, dental practice, and contact with infectious diseases, I am solely responsible (including providing adequate insurance) for any and all liability that may arise from my participation in this activity. Upon request, I will provide TRF a certificate of insurance evidencing adequate coverage.
19. I release RI and TRF, including their respective directors, trustees, officers, committee members, employees, agents, associate foundations, and representatives (collectively, Rotary), from any liability, responsibility, and obligation, either financial or otherwise, beyond providing the grant and understand that I am responsible for all costs not covered by the grant. I do hereby agree to defend, indemnify and hold harmless Rotary from and against all claims (including, without limitation, claims for bodily injury or property damage), demands, actions, damages, losses, costs, liabilities, fines, expenses (including reasonable attorney's fees and other legal expenses), awards, and judgments asserted against or recovered from Rotary arising out of any act, conduct, omission, negligence, misconduct, unlawful acts (or act contrary to any applicable governmental order or regulation) resulting directly or indirectly from my participation in this grant), or violations of any of the terms and conditions that apply to this grant. The foregoing includes, without limitation, injury or damage to the person or property of Rotary or any third party, whether or not subject to any policy of insurance.
20. If I, because of serious illness or injury, am unable to complete the terms of this Agreement and

must return home, TRF will not pay to arrange for transportation home. TRF will not assume any additional costs including the cost of any medical care or treatment, now or in the future.

21. I agree to participate in club and district activities as requested by my sponsors.
